*The End: Finding the
Best Way to Wrap
it All Up*

*Whether it's a chapter ending, or the
conclusion of a novel, endings matter*

Every chapter ending or conclusion of a book should leave the reader with a sense of satisfaction. It doesn't have to be a happy ending, but it does need to tidy up all the loose story ends.

**Our panelist will share how beginnings
and endings are linked, and the
differences between chapter and book
endings**

*Join us at the general meeting Sat. Feb 13, 2021

Not every chapter
needs to end with a
cliffhanger, but there
should be a sense of
drawing the chapter's
purpose to a close.
Every book should
leave the reader with
a sense of
satisfaction. The
conclusion needs to
tidy up all the loose
story ends.
