

LEFT Behind

Lila McCrary

2nd Place Poetry 6th Grade

Forgotten

My other half ripped away from me

Only to be tumbled

Around

And around

And around

And I

The lone wolf

Am shoved aside

Into a dark

Dank

Place

By a creature

Size indescribable

Odor unbelievable

Noise unbearable

All who see me

Pass me by

They do not take me to my former partner

They let me stay

Lying here forever.

For I am the left behind left sock

Shoved under the couch forever more

By the dog
